

```
git config --global user.email  
"you@example.com"
```

```
git config --global user.name  
"Your Name"
```

**Git is a free and open  
source distributed  
version control**

**system** designed to handle  
everything from small to very  
large projects with speed and  
efficiency.

# O Problema

Mais de uma pessoa trabalhando no mesmo projeto

Planilhas? **Google Sheets.**

Documentos? **Google Docs.**

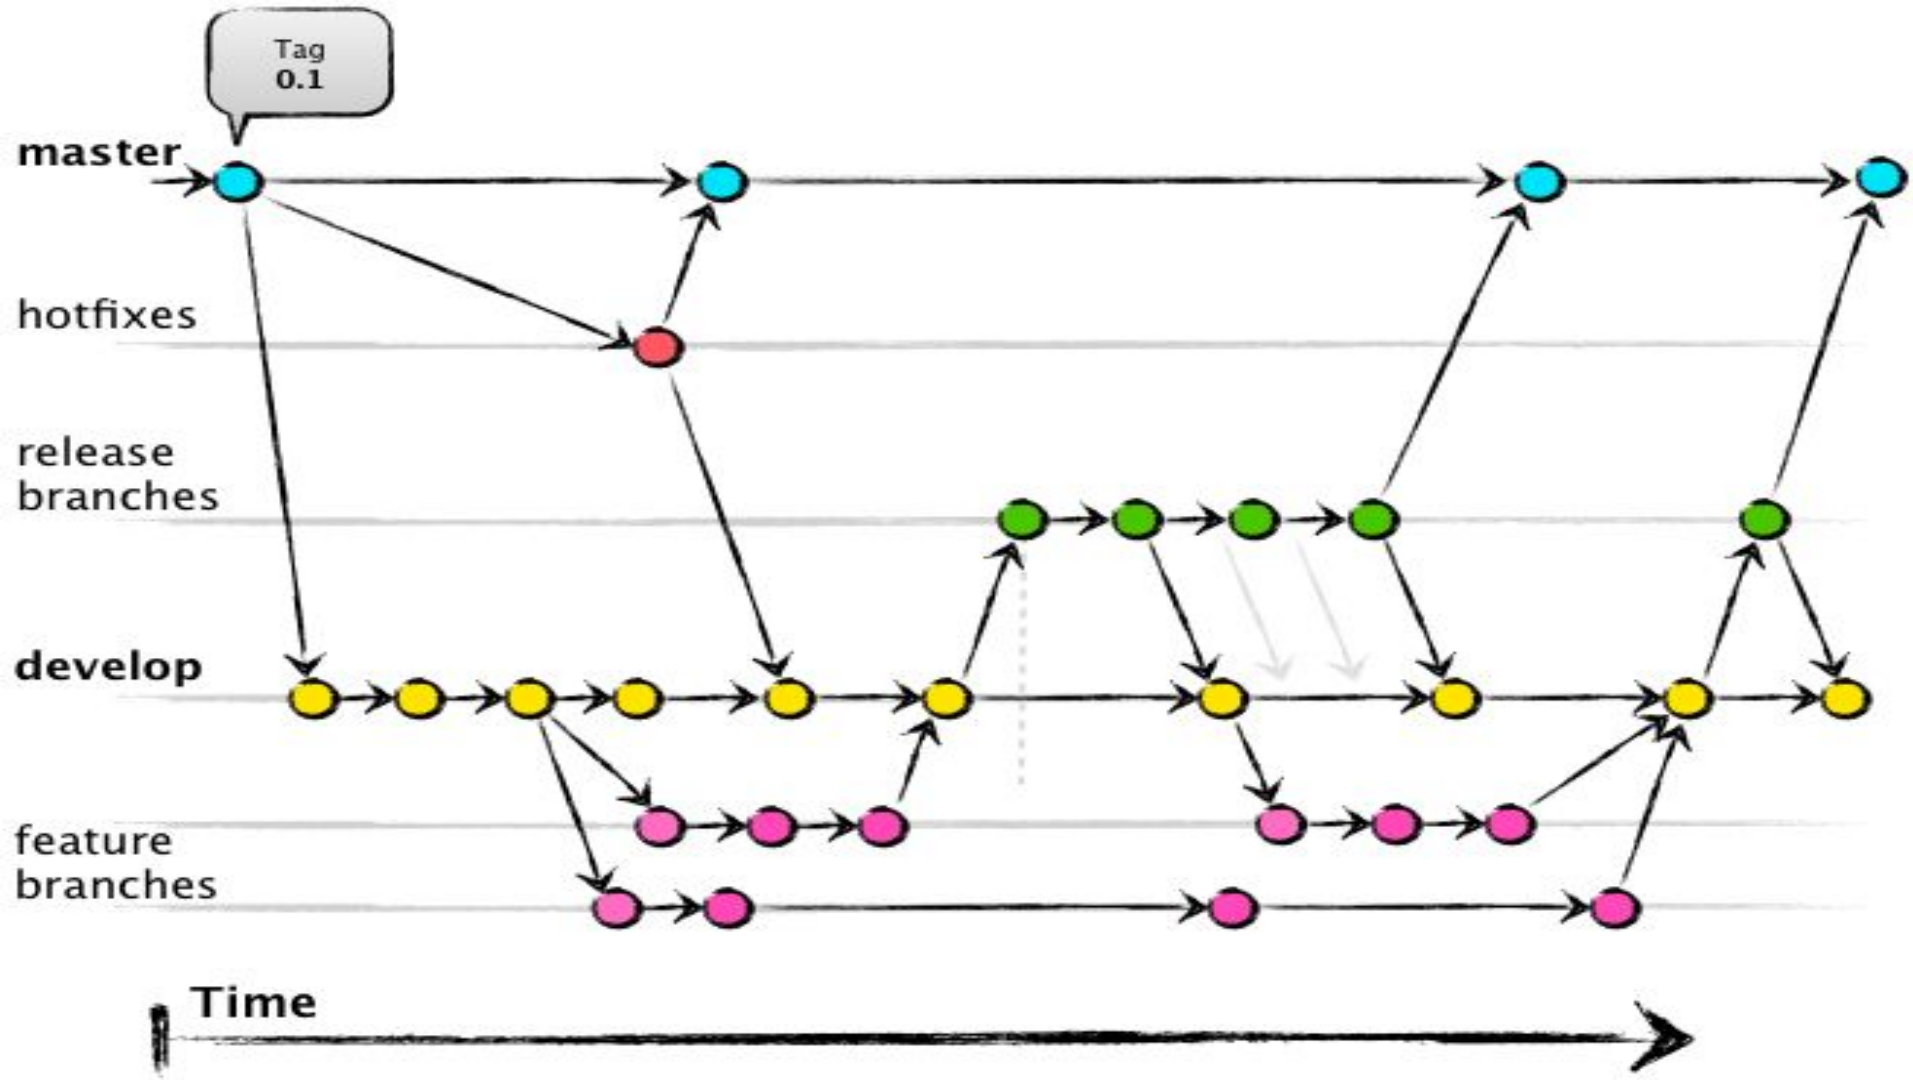

Código? ...

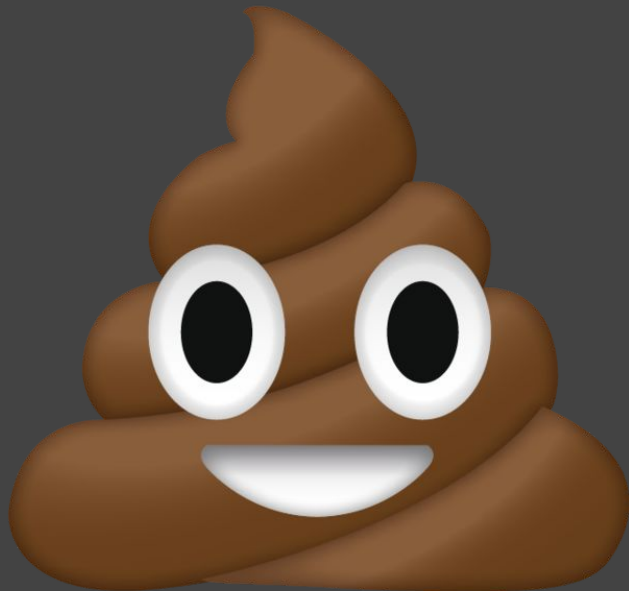

A close-up photograph of a person's hands using a purple marker to draw on a whiteboard. The background is blurred, showing some bokeh lights. The text 'A solução' is overlaid on the left side of the image.

# A solução

Com o GIT, o dev team  
pode desenvolver  
diferentes partes da  
aplicação  
simultaneamente através  
de “branches”

Fez cagada?

Sem problemas!
